Procedure to order BenguFarm software

- Complete page one of the Bengufarm order form with your particulars.
 - Pay the applicable amount into the BenguelaSoft CC account and obtain the proof of payment. (The price and bank account details are on page one). Please ensure you supply your name (as on the order form) as reference when you make the payment.
 - E-mail or fax the completed order form with the proof of payment to us. (The e-mail address and fax number is on page one). If you want to pay by cheque, please send the completed order form and the cheque to the postal address on the order form.
 - A CD with your BenguFarm software and your herd's Logix data (where applicable), covering letter, user manual and calf pocket book will be send within three days of receipt of your order and proof of payment by registered post to the postal address supplied on your order form. If it should *not* be sent to the postal address on the order form, please supply alternative instructions here:
